

## MARIAN INFANT JESUS NURSERY/PRIMARY SCHOOL, IFA NKARI

### PROJECTS RECOMMENDED FOR THE DONATION RECEIVED

**Introduction:** After our team (Frs. Gerald Akata and Donald Udoh) visited the Marian Infant Jesus Nursery/Primary School on Monday 25<sup>th</sup> of April, 2022 we in the company of the Manager of the School, Rev. Fr. Joseph Idiong took a tour of the school. We entered all the classrooms. We inspected the playing items, football field, latrines (convenient places for girls and boys), teachers' tables, chalkboards, teachers' seats, pupils' seats, library, infirmary, roof, and Head-teacher's office. We visited with all the pupils in all the classrooms.

**Areas of needs:** We identified the following areas of immediate needs:

1. Damaged & linking roof
2. Lack of Infirmary
3. Inadequate Library and teaching aids
4. Insufficient playing facilities
5. Unpainted classrooms
6. Unsanitary (unhygienic) latrines and convenient places.
7. A decimal (fractured) front view

**Budgets/Estimates:** We returned home and quickly did the budgets/estimates based on the donation of one thousand six hundred US Dollars (\$1,600) that we received from the donors. The budgets/estimates are shown on Table 1.

**Reception by Pupils:** We met on resumption day a total number of over one hundred (100) pupils. They were excited and in highly good spirit. They are commendable along with the five-teaching staff.

**Future Recommendations:** In the future we will like to undertake to build a new classroom block (if possible); provide the following: repairs of doors; new roofing; sanitation; playing facilities; books; library and computer

**Exchange rate for the US Dollars:** We were able to change the \$1,600 we received at the rate of ₦584 per dollar. We received a total of nine hundred and thirty-four thousand, four hundred naira only (₦934,400.00). We are grateful to all the donors. We will get to work immediately with the support of the Manager of the School, Rev. Fr. Joseph Idiong. We will send out report as soon as the work in the areas of needed is done.
